"All we will ever need walking into the future is the courage and faith to say 'yes' to whatever assignment [God] has for us."

Ted Kang
Pastor of San Jose Christian Alliance Church and Council 2019 speaker

DEAR COUNCIL DELEGATES,

For the 115th time, the Alliance family gathers again for Council! I truly love it.

As you see, this year's theme is "Beyond." I trust that throughout this week it will move past being simply a theme and become our experience. I sense the Spirit's prompting to challenge us to move beyond whatever may be holding us back in our relationship with Jesus. The "Beyond" message has implications for us organizationally as well. In meeting together, I'm eager to explore where God is taking us next.

Please pray with me that the Holy Spirit will fill and direct us—individually and corporately—so that we may follow Him freely and fully into all that He has for us.

Expectant,

John Stumbo
President, U.S. C&MA
