ENVISION

Engage in God's Mission

weareenvision.com

envision@cmalliance.org

Envision GiveBack mobilizes individuals with life-experience, skills, resources, and a passion to strengthen and encourage communities of faith. As a ministry resource, GiveBack focuses primarily on empowering retirees and experienced professionals with opportunities that range from giving financially to serving at Envision sites and with Alliance teams—in the United States and around the world—for up to two years.
