

PRAY:: It's the whisper of our hearts calling out to our heavenly Father and the command of Jesus in Matthew 9:38: "Ask the Lord of the harvest, therefore, to send out workers into his harvest field." Can our response be anything less than making this same request of our loving God?

GIVE:: Ours is the God of generosity . . . giving even His own Son. And His generosity is the model we must follow. Luke 6:38 says, "Give, and it will be given to you . . . For with the measure you use, it will be measured to you." What can we give for the advance of His Kingdom?

GO:: The command is clear in Matthew 28:19a: "Therefore go and make disciples of all nations . . ." His desire is that no one would perish. Do you sense His calling?

SEND:: As hearts continue to open, workers are desperately needed. Again Jesus said, "Peace be with you! As the Father has sent me, I am sending you" (John 20:21). The Master is sending; are we doing the same?
